Autumn Term 1 2014/2015

Dear Parent/Carer

School closes today and the first half term of the new academic year has been a very busy one.

The new curriculum commenced and Free School Meals served to all of Reception and Key Stage 1 pupils. As we look back we have enjoyed working in partnership with **Amber Films**, welcomed visitors from **Gor Gor in Kenya**, eaten delicious French breakfasts on **French Day** and studied Pablo Picasso in **Take One Picture Day!**

Our residential visit to **High Borrans** was a huge success followed by visits to the **Crucial Crew** and **Hunter Hall Residential home**.

Harvest Festival Assemblies and the Garden Classroom

We hope you enjoyed the presentations about Harvest Around the World, Water, Scarecrows, Fruit and Vegetables, Bread and Harvest of the Sea.

The Garden Classroom open day was very successful and you have told us that this has been very interesting for you to see the science, geography and environmental work the pupils have been undertaking. Good luck planting the seeds collected on the day!

Next Spring we will be inviting any volunteers into school to work in the Garden Classroom and improve upon our bumper 2014 crop!

Once again a tremendous thank you for your generosity. The '**Walking With...**' project have collected all of your food donations and will be distributing them to families in Wallsend.

School opens **Monday 3rd November 2014.**

Thank you for your continued support.

Mrs P Richardson
Headteacher
